**NORTH HILLSBORO
INDUSTRIAL
RENEWAL AREA**

OPEN HOUSE #2

Please join us to review and refine elements of the draft industrial renewal area plan in North Hillsboro, including the draft boundary and potential public infrastructure projects to be funded in the district.

As one of the few significant industrial development opportunities in the region, North Hillsboro is ready to meet local and regional employment needs and the public's vision for job creation and economic growth over the next 25 years. In order to fulfill this vision, the area requires an array of public infrastructure investments. The draft plan will include a strategy for infrastructure financing, focusing on delivering the necessary improvements in a timely manner that is responsive to market demand.
